

Beneath The Bird Feeder

Holly Miranda

The Dark-Eyed Juncos know
The Northern Cardinal's working ground control
The Deer Mice
Dear Mourning Doves
The snow is falling from above

Go on ahead
Feed the birds
Life is sweeter
Life is sweeter

The sun comes up on Chickadee Town
Seeds there upon the snowy ground

Days are short
Night's are long
Especially when a venomous Shrew comes along

The snow is falling
Go feed the birds
Life is sweeter
Life is sweeter
Just beneath
Just beneath
Just beneath

The Bird-feeder
Just beneath the Bird-feeder
Just beneath the Bird-feeder
Just beneath the Bird-feeder
