

Time Doesn't Work

Holly Miranda

Don't know which one feels worse
Being here or knowing how
Can't believe it's true
That I've no clue what you are up to now and

If I could go back in time then you'd know better
I'd have made more sure that you knew I cared you were fine
But time doesn't work for me, oh you'd know better
Time doesn't work for me

I've been chasing you
Through a dream all along
Can't remember half of what I though I knew
The rest was wrong oh

If I could go back in time then you'd know better
I'd have made more sure that you knew I cared you were fine
But time doesn't work for me, oh you'd know better
Time doesn't work for me

It's not fair you know that when I'm next to you
I just can't remember what on earth I'm meant to do
And time slips away you see
No time doesn't work for me

Time doesn't work for me, oh you'd know better
Time doesn't work for me
