

# All In The Mind

Holly Valance

Come on  
Baby

I'm red  
I'm green  
Purple and orange  
I'm the myth you've never seen  
I'm the one in your dream  
I can be what you want me to be  
I can be your every fantasy  
It doesn't matter what  
'Cause baby it's only make believe

Scarlet daydream  
It's red hot sex scene  
I got what you want so take your best shot  
To you oh babe I will never stop  
It's a massive explosion  
Magic emotion  
Colours so bright  
It could turn day blind  
Flying fantasy  
It's all in the mind  
E-I-E-I

I'm very proud to arouse  
My loyal believers  
I'm a naughty girl  
A bitch from hell  
Come join in my game  
I can dance where you want me to dance  
I can sing your favourite melody  
It doesn't matter what I sing  
'Cause baby it's only make believe

Scarlet daydream  
It's red hot sex scene  
I got what you want so take your best shot  
To you oh babe I will never stop  
It's a massive explosion  
Magic emotion  
Colours so bright  
It could turn day blind  
Flying fantasy  
It's all in the mind  
E-I-E-I

It's all in the mind  
E-I-E-I  
It's all in the mind  
E-I-E-I  
It's all in the mind
