Down Boy

Holly Valance

Down boy Keep you down boy I'm the one that you would die for The one you long to touch The one you live our life for I know it's much The more you see, the more you want The more you taste, it just gets better The more you get, the more you like it Don't go too far, I won't let you Down boy Won't you bring me down boy Gotta keep you down If you want me with you Down boy Won't you bring me down boy Gotta keep you down Some things I just won't do Down boy Won't you bring me down boy Gotta keep you down If you want me with you Down boy Won't you bring me down boy Gotta keep you down Some things I just won't do Do anything to please me I got you where I want I know how much you need me Just wanna get it up The more you see, the more you want The more you taste, it just gets better The more you get, the more you like it Don't go too far, I won't let you Down boy Won't you bring me down boy Gotta keep you down If you want me with you Down boy Won't you bring me down boy Gotta keep you down Some things I just won't do Down boy Won't you bring me down boy Gotta keep you down If you want me with you Down boy Won't you bring me down boy
