Headspace

Mm-mm-mm-mm

(Don't you even speak?)

You came to me

Gave me a dream

Soul opening

I said yes

Now following

Trying to be

All you have said

But I forget

Everything is tuned

Nothing I can do

But lean back into your chest

Cause this was never mine

I had to loosen my grip

Something like a gift divine

Coming straight from my lips

Gotta keep my headspace right

Viper's got a deadly bite

Tryna creep in and steal

All of the wisdom

Gotta keep my headspace right

Viper's got a deadly bite

Tryna creep in and steal

All of the wisdom

Ah-ah-ah-ah, la-la-la-la-la-la-la-la-la, mm

Ah-ah-ah-ah, la-la-la-la-la-la-la-la-la

Invading my thoughts

Nothing is loss

You reinterpret pain

Fighting for health

Down to the bone

You never stop my questioning

Holding me down

Quiet me now

Rest is your curriculum

Cause this was never mine

I had to loosen my grip

Something like a gift divine

Coming straight from my lips

Gotta keep my headspace right

Viper's got a deadly bite

Tryna creep in and steal

All of the wisdom

Gotta keep my headspace right

Viper's got a deadly bite

Tryna creep in and steal

All of the wisdom

Ah-ah-ah-ah, la-la-la-la-la-la-la-la-  
la (Steal all of the wisdom, steal all of the wisdom)  
Ah-ah-ah-ah, la-la-la-la-la-la-la-la-la  
Ah-ah-ah-ah, la-la-la-la-la-la-la-la-la  
Ah-ah-ah-ah, la-la-la-la-la-la-la-la-la

Plans are plans that's all  
Who knows what could happen  
Though my dreams are tall  
I come open handed
