

# ¡Hola!

Hollyn

Got me living in the fast life  
Slowing down is like a pastime  
Seeing stars but not the good kind  
Eyes are blurry from the long nights  
Gettin' stopped wherever I go  
Just tryna fly into the next show  
Thinking 'bout my family back home  
Wondering "Where did the time go?"

People lookin' at me strange  
All they wanna know is if I'm caught up in the fame  
If they really knew me they would know that I'm the same  
Know that I ain't changin', but I'm runnin' late  
Sorry, all I got for you is

¡Hola! ¡Hola! ¡Hola! ¡Hola! ¡Hola!

¡Hola! ¡Hola! ¡Hola! ¡Hola! ¡Hola!

City after city, got a show in every downtown  
I don't wanna leave, gotta go, can we slow down?  
Slow down, oh, oh-oh  
Yeah, you know we gettin' no sleep  
Back of the bus, we tryna make heat  
All my friends I got 'em with me  
Just wanna make everyone happy

People lookin' at me strange (ugh)  
All they wanna know is if I'm caught up in the fame  
If they really knew me they would know that I'm the same  
Know that I ain't changin', but I'm runnin' late  
Sorry, all I got for you is
