

i don't know if we can be friends

Hollyn

If you tell me that you want me back
I don't know if I could handle that
Cause we got nothin' but stress
Holding us together like thread
If you tell me that you want me back
I don't know if I could handle that
Cause we got nothin' but stress
I don't know if we can be friends

If you told me that you love me
Why'd you leave, why'd you leave?
If you told me that you need me
Why'd you go away from me?
You told me I could trust you
Why'd you lie? you're full of lies (you're full of lies)
Quit wasting my time

You tell everyone that I am nothing to ya
What about those nights when I was right next to ya
Good luck finding someone else that caters to ya
This is too much for me babe
I'm done with you babe

If you tell me that you want me back
I don't know if I could handle that
Cause we got nothin' but stress
Holding us together like thread
If you tell me that you want me back
I don't know if I could handle that
Cause we got nothin' but stress
I don't know if we can be friends

You're never gonna change
Stuck inside your twisted game
When no one else loves you
You'll know you're the one to blame

Good luck finding someone else that caters to ya
This is too much for me babe
I'm done with you babe

If you tell me that you want me back
I don't know if I could handle that
Cause we got nothin' but stress
Holding us together like thread
If you tell me that you want me back
I don't know if I could handle that
Cause we got nothin' but stress
I don't know if we can be friends

We got nothin'
We got nothin' but stress
Holding us together baby
Holding us together baby
We got nothin'
We got nothin' but stress
Holding us together baby

Holding us together baby

If you tell me that you want me back
I don't know if I could handle that
Cause we got nothin' but stress
Holding us together like thread
If you tell me that you want me back
I don't know if I could handle that
We got nothin' but stress
I don't know if we can be friends
