

# i wasn't enough for you

Hollyn

Turnin' down the radio station, wanna have a conversation  
Pull into a parkin' lot, yeah  
Feel my heart is sinkin' down, feel it in my stomach now  
Like you tied it up in knots

You said, "Let's stay friends."  
But who ever stays friends?  
Who?  
Hope I understand  
But I'll tell you where I stand  
Who now, yeah?

If that makes you happy, I'm happy  
Not wishin' the best 'cause I wasn't for you  
I guess it happens, it happens  
Sometimes you win and then sometimes you lose

When you lay down at night  
I hope you sleep alright  
'Cause you said this and did that, took my heart, gave it back  
So how do you expect me to be happy for you?

Never saw the good in bye, so I will never tell that lie  
If you're gettin' out, I'll drive, yeah  
Maybe you could find yourself better with someone else  
Glad that I could be some help
