

Isaac

Hollyn

Even when I feel like I'm gonna break
I will lift my hands to You

Open up, lift your hands higher
I know it's hard
Give me back what I have given
Trust my heart
(You can trust my heart)

I have loved Him before you have
Follow me
Slowly we will come together
I'm not leaving You, yeah

This is so important
No, don't rush what I've started
See I am doing a new thing
Yeah, a new thing

You're faithful to me
I'm faithful to You
You loved me first
With no questions asked

You're faithful to me
I'm faithful to You
'Cause You loved me first
With no questions asked

Open up your eyes so you see what I see
(You see what I see, you see what I see, yeah)
Heaven's closer than you ever dreamed it be
(Closer than you dreamed it)
Closer than you dreamed it be

You're faithful to me
I'm faithful to You
You loved me first
With no questions asked

You're faithful to me
I'm faithful to You
'Cause You loved me first
With no questions asked

I will lift my hands
So I will lift my hands
Even when I feel like I'm gonna break
I know what You said to me never changes
I will lift my hands to You
I will lift my hands to You

God, I trust
You've got something better for me
(My Isaac will be saved)
I know You've got something better for me
(My Isaac will be saved)

I trust that You've got better for me
(My Isaac will be saved)
I trust that You've got better for me

You're faithful to me (You're faithful to me, yeah)
I'm faithful to You (How do You?)
You loved me first (You loved me first)
With no questions asked

You're faithful to me (You're faithful)
I'm faithful to You
'Cause you loved me first
And no questions asked

I will lift my hands (I'll lift my hands and surrender to You)
So, I will lift my hands (I'll just say yes, I'll just say yes, yeah)
Even when I feel like I'm gonna break
I know what You said to me never changes
I will lift my hands (hands) to You
(Hey hey)
My Isaac will be saved
