isn't it harmless?

Hollyn

Back to the place
I go back to the place
Where you told me you loved me
Said I was queen of your world yeah
I thought we were somethin', somethin'
You gave me shelter
You gave me room for my imagination
Now you expect me to believe it was all an illusion
Its you, you're confusin'
Its you, you're confusin'

But, isn't it harmless?
Isn't it harmless? (the way that I loved you, the way that I still do)
Isn't it harmless? (so harmless)
Isn't it harmless?
Isn't it? Isn't it?

Isn't it harmless?
Isn't it? Isn't it? Isn't it?
Isn't it?
Isn't it harmless?
Isn't it? Isn't it? Isn't it?
Isn't it harmless?

I feel, I feel like I've been staying up too late
I don't, I don't know why but I'm stuck on the ceiling
This weight, this weight is making me feel
So crazy, oh lately
And I don't know why
But I just keep on thinking bout you
I can't unsee the way I saw you
Feels kinda like that picture in my mind is tattooed
I feel like I don't know what I'm supposed to do, yeah
Living without you (Living without you)
Living without you

Isn't it harmless?
Isn't it harmless?
Isn't it? Isn't it?
Isn't it harmless?
Isn't it? Isn't it? Isn't it?
Isn't it?
Isn't it harmless?
Isn't it? Isn't it? Isn't it?

I couldn't hate you just want you to know
You felt so far even when we were close
Who would've thought that we'd ever be back where we started
Saying, isn't it harmless?

Isn't it harmless?
Isn't it harmless?
Isn't it? Isn't it?
Isn't it?
Isn't it harmless?
Isn't it? Isn't it? Isn't it?
Isn't it?

Isn't it harmless?

Isn't it harmless?

Isn't it harmless?
