

# Party In The Hills

Hollyn

Yeah, every weekend we throw a party in the Hills for fun  
It's drama free yeah, only got room for my day ones  
Singin' like oh, oh-oh-oh-oh  
Party in the Hills for fun  
Oh, oh-oh-oh-oh  
Party in the Hills for fun

Party in the Hills, it's a celebration  
I'm talkin' lit with no limitations  
Gotta keep it rockin' with the crew, yeah  
Work hard, play harder 'til we through, yeah  
Vacay all the way to the Bay, yeah  
Up to Hollywood just to get away, yeah  
I'm talkin' West Coast, maybe on an island  
In the Hills, way, way up how we wylin', woo!  
On one hundred with the squad  
Poppin' wheelies on the block  
Tell 'em keep up with the boy  
Lookin' at the world and everything we achieved  
But blessin' to be successful  
Livin to see the dream, yeah  
Like every weekend we drama free  
And we ain't leavin' until the sun come up  
Like every weekend we drama free  
And we ain't leavin' until the sun come up

Yeah, every weekend we throw a party in the Hills for fun  
It's drama free yeah, only got room for my day ones  
Singin' like oh, oh-oh-oh-oh  
Party in the Hills for fun  
Oh, oh-oh-oh-oh  
Only got room for my day ones

Day one, day ones  
Shout out to my day ones  
Day one, day one  
It's time, it's time, it's time

Look, I've been workin' OT  
Feelin' like I need a trip to the OC  
Cause NY been cold OD, got a little numb  
People actin' like they know me, nope  
What up Prop and Beleaf?  
They gonna roll up, I ain't talkin' no leaf  
But I say, aye, what up blood  
What up cuz, what up gangstas!  
Speakin' 'bout 50, I remember chillin' in the office with him  
He told me, "Andy don't you ever let 'em box you in  
You only rap for the Christians, that be a sin"  
I grew up on that juice and the gin  
I don't drive slow but the cruise on ten  
Got a few with me, I don't need new friends  
Take a trip, see things like hallucinogens

Yeah, every weekend we throw a party in the Hills for fun  
It's drama free yeah, only got room for my day ones  
Singin' like oh, oh-oh-oh-oh

Party in the Hills for fun  
Oh, oh-oh-oh-oh  
Only got room for my day ones

Party, party, party  
Party all day, party all night  
Party, party, party  
Party all day, party all night  
Party all day, party all night  
Party like a rockstar  
Party like a rockstar  
Put them hands in the air, it's about that time

Yeah, every weekend we throw a party in the Hills for fun  
It's drama free yeah, only got room for my day ones  
Singin' like oh, oh-oh-oh-oh  
Party in the Hills for fun  
Oh, oh-oh-oh-oh  
Only got room for my day ones

Party, party, party  
Party all day, party all night  
Party, party, party  
Party all day, party all night  
Shout out all my day ones  
Party all day, party all night  
Yeah, shout out all my day ones  
Party all day, party all night  
Shout out all my day ones
