C

My legs are dangling off the edge

G

The bottom of a bottle is my only friend

Ami

I think I'll slit my wrists again

F

And I'm gone, gone, gone, gone

My legs are dangling off the edge

A stomach full of pills didn't work again

I'll put a bullet in my head

And I'm gone, gone, gone, gone

/1/

C

Gone too far, yeah I'm gone again

G

It's gone on too long, tell you how it ends

Ami

I'm sitting on the edge with my two best friends

F

One's a bottle of pills, one's a bottle of gin

I'm twenty stories up, yeah I'm up at the top

I'll polish off this bottle, now it's pushing me off

Asphalt to me has never looked so soft

I bet my mama found my letter, now she's calling the cops

I gotta take this opportunity before I miss it

'Cause now I hear the sirens and they're off in the distance

Believe me when I tell you that I've been persistent

'Cause I'm more scarred, more scarred than my wrist is

I've been trying too long, with too dull of a knife

But tonight I made sure that I sharpened it twice

I never bought a suit before in my life

But when you go to meet God, you know you wanna look nice

C G Ami G F

So if I survive, then I'll see you tomorrow

G

Yeah, I'll see you tomorrow

We hit the sky, there goes the light

No more sun, why's it always night?

When you can't sleep, well, you can't dream

When you can't dream, well, what's life mean?

We feel a little pity but don't empathize

The old are getting older, watch a young man die

A mother and a son and someone you know
