

## Cold Turkey

## Hollywood Vampires

Temperature's rising  
Fever is high  
Can't see no future  
Can't see the sky

My feet are so heavy  
So is my head  
I wish I was a baby  
I wish I was dead

Cold turkey has got me on the run

My eyes are wide open  
Can't get to sleep  
One thing I'm sure of  
I'm in at the deep freeze  
Oh I'll be a good boy  
Please make me well  
I promise you anything  
Get me out of this hell

Cold turkey has got me on the run

Cold turkey has got me on the run
