

# You Can't Put Your Arms Around A Memory

Hollywood Vampires

It doesn't pay to try  
All the smart boys know why  
It doesn't mean I didn't try  
I just never knew why  
Feel so cold and all alone  
Cause baby, you're not at home  
And when I'm home  
Big deal, I'm still alone

Feel so restless, I am  
Beat my head against a pole  
Try to knock some sense  
Down in my bones  
Even though they don't show  
The scars aren't so old  
And when they go, yeah  
They let you know, yeah

You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
Don't try, don't try

You're just a bastard kid  
And you got no name  
Cause you're living with me  
We're one and the same  
And even though they don't show  
The scars aren't so old  
And when they go  
They sure let you know

You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
Don't try, don't try

You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
You can't put your arms around a memory  
Don't try, don't try
