

# Don't Look Down

Holy Ghost!

Wherever you're walking, whoever you're talking to  
I'm right there beside you, even when I'm gone  
Wherever you're breathing, whoever you're sleeping with  
I know you get lost, I'm always around  
Like satellite sounds  
When you're lost and not proud

Don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't)

Wherever you're walking, whoever you're talking to  
I'm right there beside you, even when I'm gone  
Whoever you're calling, wherever you're falling it's okay  
I'm right there beside you, when the night is long

Wherever you're driving, whoever you're flying to  
I'm right there behind you, I'm around  
Cause I'm always around  
Like satellite sounds  
When you're lost and not grounded

Don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't)

Whatever I'm missing, wherever you're living now  
I'm right there beside you, even when I'm gone  
If you feel like you're dead and alone  
If you're still feeling chilled to the bone  
Then just close those eyes and I'm home

What if I don't? What if I won't?  
What if you need me?  
What if I try? What if I lie?

What if I'm bleeding?

I'm always around  
Like satellite sounds  
When you're lost and I've found you

Don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't)

I'm always around  
Like satellite sounds  
When you're lost and I've found you

Don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't)

You've fallen up against the tide  
It got too rough, all jokes aside  
You've fallen down, you lost your way  
You started out with every day  
You've fallen up against the tide  
It got too rough, all joking aside  
Started out, you're losing ground  
You lost your way

Don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't)  
Don't look down  
(Don't, don't, don't, don't)  
Just don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't)  
Just don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't)  
Don't look down  
(Don't, don't, don't, don't  
Don't, don't, don't, don't  
Don't, don't, don't, don't)
