

I couldn't help but fall to pieces when you said that we were through,
Now I can't believe it's over; I'm going crazy over you,
A casualty of broken love: the embers - dark and cold,
And the deep abyss of emptiness has finally filled my soul.

I think about you every day,
The memories won't go away,
Without you I...I can't go on,
I'll lose my mind before too long.

Crazy - am I crazy?
Going crazy over you,
Crazy - am I crazy?
Well, you tore my heart in two.

Staring at your picture; to think you once were mine,
For us there's no tomorrow, for me there's only time,
Maybe you'd like to see me, maybe I'll just pretend,
As the bitter kiss of loneliness embraces me again.

I think about you every day,
The memories won't go away,
The way you put me on the shelf,
To sit and stare, and ask myself...

Crazy - am I crazy?
Crazy over you,
Crazy - yes, I'm crazy,
Well, you tore...you tore my heart in two,
Crazy - yes, I'm crazy?
Don't know what I'm gonna do,
Crazy - am I crazy,
Crazy over you.

I think about you every day,
The memories won't go away,
Without you I...I can't go on,
I'll lose my mind before too long.

Crazy - am I crazy?
Going crazy over you,
Crazy - yes, I'm crazy,
Don't know what I'm gonna do,
Crazy - am I crazy?
Well, you tore my heart in two,
Crazy - am I crazy?
Crazy over you.

Crazy, crazy,
Crazy, crazy
