

# Grind

Holy Soldier

We've got to work it, press it down and watch it grind,  
Make the rules, cross the line,  
We'll split the darkness, lay it down and watch it die,  
Spread the faith, testify.

Oh, yeah.

Let's run the numbers, see if we can count the days,  
We're half asleep; it's time to wake,  
We've kept it under, but we can learn from our mistakes,  
So wipe your feet and get in place.

What are we so afraid of?  
What are we so afraid of?  
There's nothing to be afraid of,  
Got nothing to lose, so...

Come on, come on, come on, come on, come on now,  
Come on, rise up, we're strong,  
Come on everyone, yeah,  
Come on, come on, come on, come on,  
It's not so hard, for the love of God.

Let's do some soul searching, dare to look inside,  
It's time to lock it down tight,  
We can strike the match; others will ignite.

Come on, come on, come on, come on now,  
Come on, and rise up, we're strong,  
Come on everyone, yeah,  
Come on, come on, come on, come on,  
It's not so hard, for the love of God,  
Come on, come on, come on, come on now,  
Come on, rise up, we're strong,  
Come on everyone,  
Come on, come on, come on, come on,  
It's not so hard, for the love of God.

Oh, whatcha gonna do?  
Come on.
