

# Every Time I Fall

Holychild

I'll never give it all to you  
The damsel's not my story, too  
I can't purr like those kittens do  
And then my mind's made up on you  
Bred of the kitchen and the coup  
If I could trust you'd have me too

Every time I fall, I can have it all  
I won't let you know  
Before I let you go (no no no)  
I can have it all (no no no)

Every time I fall, fall away  
I can have it all my way  
I'll never leave it all today with you

Every time I fall, fall away  
I don't even have to say  
I know my story's not the same with you

One day you know you'll have me, too  
My dreams will twist and follow you  
I won't purr like those kittens do  
And when I drop, I drop for you  
And when I give it all, it's new  
You'll have my mind before it's true

Every time I fall, I can have it all  
I won't let you know  
Before I let you go (no no no)  
I can have it all (no no no)

Every time I fall, fall away  
I can have it all my way  
I'll never leave it all today with you

Every time I fall, fall away  
I don't even have to say  
I know my story's not the same with you

Every time I fall, fall away  
I can have it all my way  
I'll never leave it all today with you

Every time I fall, fall away  
I don't even have to say  
I know my story's not the same with you
