

Hundred Thousand Hearts

Holychild

Wake me in the morning I'm afraid
I don't want to go to sleep and see your face
I need you more than I should ever say
What about you? What about you?

The stars are always taunting me at night
Remind me that I'm not the only life
Sometimes I don't wanna know they're right
What about you? What about you?

While humanity's begging to end
As eternity's starting again
I'll be hanging on all that you said
I just can't believe it

I don't wanna hear you say
You don't love me anyway
After all I do, I do it for you
I don't wanna hear you say
I don't love you anyway
After all I do, I do it for you

A million years won't dry away my eyes
A hundred thousand hearts will know my cry
Romantic for the sake of my demise
What about you? What about you?

When the cosmos holds everything dead
When the ocean has leveled my bed
I'll be hanging on all that you said
I hope you believe it, yeah

I don't wanna hear you say
You don't love me anyway
After all I do, I do it for you
I don't wanna hear you say
I don't love you anyway
After all I do, I do it for you
I don't wanna hear you say
You don't love me anyway
After all I do, I do it for you
I don't wanna hear you say
I don't love you anyway
After all I do, I do it for you

Oh, it's you and me every time I dream
Let me take you everywhere I go
We can skip this town, get away for now
I want a wedding like a Broadway show
With a fountain made of chocolate looking famous
And our statues made of gold, how could you blame us
Is it love you need? Does your heart not bleed?
C'mon, c'mon, c'mon let me know
C'mon, c'mon, c'mon let me know

I don't wanna hear you say
You don't love me anyway

After all I do, I do it for you
I don't wanna hear you say
I don't love you anyway
After all I do, I do it all for you
I don't wanna hear you say
You don't love me anyway
After all I do, I do it for you
I don't wanna hear you say
I don't love you anyway
After all I do...

I don't wanna hear you say
You don't love me anyway
After all I do, I do it for you
I don't wanna hear you say
I don't love you anyway
After all I do, I do it all for you
I don't wanna hear you say
You don't love me anyway
After all I do, I do it for you
I don't wanna hear you say
I don't love you anyway
After all I do...

Na na na na na na na na forever yours, forever yours, oh oh
