

# Everything Will Be Okay

Home Free

Driving down the road  
Don't know where I'm going  
I see your face in every car that passes me by  
I know it's true  
There's no way you're knowin'  
Where this will lead  
But I can't help but wonder why don't we just try?

All I want to do, is be with you  
And all I want you to know is I ain't lettin' go  
All I want to feel is that we've got something real  
And all I want you to say is everything will be okay  
Yeah

Now I'd be lying if I said that I wasn't worried  
But I told myself that I would never fall again  
And I'm sure you'll call  
But I wish you'd hurry  
And I'll have your way  
Darling, you just tell me when will we give in?

All I want to do is be with you  
And all I want you to know is I ain't lettin' go  
All I want to feel is that we've got something real  
And all I want you to say

Is everything will be okay  
It'll be okay  
Maybe, baby, we're just crazy, but it may be love

All I want to do is be with you  
And all I want you to know is I ain't lettin' go  
All I want to feel is that we've got something real  
And all I want you to say

Is everything will be okay  
Everything will be okay  
It'll be okay

I know it'll be okay  
I know, I know, I know

It's gonna be alright, tonight  
It's gonna be alright, tonight

It's gonna be alright, tonight  
It's gonna be alright, tonight
