He's making a list  
He's checking it twice  
Gonna find out who's naughty or nice

Oh he sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake

Oh, you better watch out  
You better not cry  
You better not pout  
I'm telling you why
