

Take Me Home, Country Roads

Home Free

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, blowing like a breeze

Country roads, take me home
To the place I belong
West Virginia, mountain mamma
Take me home, country roads

All my memories gather round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Country roads, take me home
To the place I belong
West Virginia, mountain mamma
Take me home, country roads

I hear her voice in the morning hour, she calls me
The radio reminds me of my home far away
Driving down the road I get a feeling
That I should have been home yesterday, yesterday

Country roads, take me home
To the place I belong
West Virginia, mountain mamma
Take me home, country roads

Country roads, yeah
My country roads
Take me home
And I feel like I should have been home yesterday
Take me home, country roads
I've been away too long

Take me home, country roads
Take me home yeah
Take me home, country roads
Take me home, oh mountain mamma
Take me home, country roads
Take me home, country roads
