

What's Left of My Heart

Home Free

I wanna love you, but I'm a little bit broken
And I told myself I'd never fall again
There's an empty space in my life wide open
If we take it slow, bet you could fill it in
So if you wanna take a chance on me

I'll give you all my attention, time and affection
My hopes, my dreams and my scars
Yeah, it's still beatin', hurtin' and a healin'
But if you'll take pieces and parts
Here's what's left of my heart
Oh what's left of my heart

Never thought I'd find another
Who could ever make me feel the way you do
There's no denying I'm a fixer-upper
But I swear you got me shining like brand-new
And I'll give you everything I have to give

I'll give you all my attention, time and affection
My hopes, my dreams and my scars
Yeah, it's still beatin', hurtin' and a healin'
But if you'll take pieces and parts
Here's what's left of my heart
Left, I'll give you what's left of my heart

Yeah, it's a hand-me-down
It's been tossed around
But girl if you want it it's yours
It's yours

I'll give you all my attention, time and affection
My hopes, my dreams and my scars
Yeah, it's still beatin', hurtin' and a healin'
But if you'll take pieces and parts
Here's what's left of my heart
