

I Was Right About This

Home Grown

I know I don't amount to anything
cause i fill according to your standards
and i can't, i can't provide
and your wants, your needs are high
am i good enough?

My insecurities are forcing you to me

When it all comes down it doesn't really matter
if we drag this out then nothing's gonna happen
i'll keep holding on
and you'll stop vying for me

You know I won't hold you to anything
because i blew all of my chances
and so its's so obvious so why try
and i'm giving, giving up saying goodbye
i'm not good enough

there's no point in building walls
when we both know they will fall

When it all comes down it doesn't really matter
if we drag this out then nothing's gonna happen
i'll keep holding on
and you'll stop vying for me

my insecurities are forcing you to me
there's no point in buildings walls
when we both know they will fall

When it all comes down it doesn't really matter
if we drag this out then nothing's gonna happen
i'll keep holding on
and you'll stop vying for me
