

# Impotency

Home Grown

Impotency really sucks.  
I don't know why I can't get it up.  
Why me?! Why?!  
All of my friends make fun of me.  
"Hard to ejaculate! Easy to pee!"  
Now I can dance with girls without getting a woodrow!  
I'm flaccid and limp. I can't get an erection.  
(Aw, my only chance to get laid and this had to happen)

There must be something wrong with me.  
I will never get laid.  
I've got a penis infection.  
There must be something wrong with me!!  
Uh, duh...impotency!

I went to my doctor the other day,  
He asked me if I was straight or gay.  
Well, my eyes are slanted.  
That's not the problem can't you see, you stupid rug rat?  
I've got a problem. actually, I've got a case called impotency.  
Oh yeah, yeah.
