

# The Hearing Song

Home Grown

Huh? What did you say?  
Repeat it again.  
Talk a little louder, talk as loud as you can.  
There's a ringin' in my ear.  
My hearing is not clear.  
Talk a little louder, man, I just don't understand.

You don't know, you don't know what it is like  
When i try to talk to people, it gets me so uptight.  
All you stupid people! Don't you understand?  
To have a conversation, I have to use both hands.

Huh? What? I've got a hearing problem, it's my disability.  
It's always the same, every single day.  
Physically disabled and it's getting to my brain.  
There's a ringing in my ear.  
I cannot fucking hear.  
Talk a little louder, man, I just don't understand.

Don't try to raise your volume, it won't do any good.  
Neither of my nodes are working like they should.  
All you stupid people. Can't you understand?  
To have a conversation I have to use both hands.  
Huh? What? I've got a hearing problem and I try to comprehend.  
If I want to talk, I have to use both hands.  
I've got a hearing problem and I think I'm going deaf.
