

Home At Last

Homeshake

look at this place
start having news to see
they're all the same
but living in a dream

all my running
i just got to get away
sure is fun
and i really think that i won't stay

so.
home
at last
i'm home
at last

so i forgot
it didn't change a thing
messaging around
she kept us company

all my hiding
i'm just trying to get it out
sure is testing
but that's not what it's about

so
