

On A Roll

Homeshake

I'm on a roll again
Me tomato lettuce was wondering
If it could be quiet for just a sec
Right behind my eyeballs above my neck

Going thru the motions let
Anybody noticing
Keep their noses out of it
This and me and other things
Celly never rings

Reading between the lines
Ring and pointer finger it looks alright
All my clothes are heavy im feelin light
Wait a little longer it's rain inside
Going thru the motions let
Anybody noticing
Keep their noses out of it
This and me and other things
