Know I keep that gun (Woah)

When I walk outside my house I keep my gun
The gang gon' slide any time, we do this shit for fun
We slide in black trucks, you know it's tinted
We hop out anywhere handling business
Hit a nigga block, we ain't leaving no witness
We step in Timbs my pants Amiri

Youngin in the cut, he clutching on a fifty
I done popped two Percs, them bitches got me itching
When we step up the street, yeah, they hearing our engines
Top floor got bags, this bitch a dispensary
We got what you need, just tell me, come get it
Can't snot everybody [?]
I don't care if you riding or not
Sitting in the spot breaking down exotic
Think he get money, he just riding around
Think he get money, he just riding around
Spin on they block, we ain't thinking about it
Spin on they block, we ain't thinking about it
