

Shit, it's hard to choose
Huh, huh
Huh, huh
Huh, huh
Huh
It's hard to choose

So many goddamn drugs, it's hard to choose
Outside with my Glock, I keep my tools
Balenciaga boots, they size fourty-two
We doin' what we want, we breakin' rules
Youngin' sprayin' clips, we make the news
Cinematic films, we makin' movies
7.62, bullets slip right through him
Poppin' X pills, I'm feelin' like Lex Luger (Ha)
Huh, huh, huh
Shit, it's hard to choose
Huh, huh, huh
Shit, it's hard to choose (Woo)
Homixide, yeah

Pop me a pill and I get in my mode (What?)
Diamonds they come out, they froze (What?)
Tied this hoe wet like a boat
Pussy so wet lock down, like woah
Pop me a pill and I'm goin' X mode
Dug in their bitch like I'm Joe
Dug in their bitch she like, woah
Ride in the bitch like, let's go (Let's go)
Yeah, yeah, I remember back then we wouldn't pop pill
Yeah, now we eat caviar right with the hoes
Yeah, I nominate him
I ride with my dawg from beginnin'
Block did shit, get spinned
Yeah, it get spinned

So many goddamn drugs, it's hard to choose
Outside with my Glock, I keep my tools
Balenciaga boots, they size four-two
We doin' what we want, we breakin' rules
Youngin' sprayin' clips, we make the news
Cinematic films, we makin' movies
7.62, bullets slip right through him
Poppin' X pills, I'm feelin' like Lex Luger (Ha)
