

Homicide

Five

You can't see me, bitch, here I am, I'm fresh, huh

You can't see me, bitch, jump out of hell, huh, huh, huh, huh

You can't see me, bitch, I ran it up

Hands up, got it stuck

Me and my niggas don't give no fuck

No understanding about this shit

Nigga, don't play around with this

We got zero tolerance

Nigga, we don't give no fuck, huh

Niggas you put in a blunt

Countin' they racks and that shit ain't enough

I bet you none of my niggas get touched

Ready to bust, you not fuckin' with us

We need all the niggas and go through the cut

Ridin' a Benz, I started from nothin'

Hit from the back and I mess up her guts

Yeah, yeah

We should run for all this

Nigga get put in the blunt

Swingin' and fightin' for nothin'

Hit that lil' boy with a whole hundred

Step on that boy, he ain't nothin'

Put 'em in a blender, they ain't know he was dyin'

Why all my gang like talkin' 'bout nothin'?

Stomp on a nigga, we stomp on a bitch

Ain't nobody get it, we duggin' on shit

Why am I killin'? We stompin' on shit

Come out the roof and they know that we shootin'
