

SwanTon BOMB

Homixide Gang

Uh huh
Uh huh
Uh huh
Uh huh
What

Yeah I'm bad lil bitch bout you mean
Shawty stay on fleek
Rockstar yeah my tee
Rockstar yeah her feet
Real life spice she red
How they dress huh dress like me
Rockstar know I'm red
Rocking out show huh not for free
Taking a trip to Paris popping these tags bad lil me
Yeah it's cash on me
Yeah we having a cheese Givenchy Chanel yeah Givenchy
Gichal on me

Baby girl baby girl
I'm a dive in this shit like I'm swimming yeah
Fly you all to LA like I'm superman
Ain't no talking about it we doing it
When I come to your house and we booling it
Yeah we fucking for hours ain't no new to this
Running around in a fast wheel
Go ahead girl act up
I know you're bad girl
We can ride in the black truck
Watch moves yeah yeah
Balenciaga on the way
Getting flowers I ain't tell
We can go to the beach get a sun tan
Wake up and be in London
No point in doing no arguing
Long as you do what I'm saying

Yeah I'm bad lil bitch bout you mean
Shawty stay on fleek
Rockstar yeah my tee
Rockstar yeah her feet
Real life spice she red
How they dress huh dress like me
Rockstar know I'm red
Rocking out show huh not for free
Taking a trip to Paris popping these tags bad lil me
Yeah it's cash on me
Yeah we having a cheese Givenchy Chanel yeah Givenchy
Gichal on me

I5u5we5
Momma say stay out of trouble
She know I'm getting to the money
Started this shit out with nothing
Pack up a bag we take out to London
Rolling up blunts we stuffing and puffin
Bae we so high we fresh out the oven

We got all sorts of bitches got buttons
Niggas just puffin not bussin on nothing
I seen that you a real boy you a puppet
Back when I see you go get that bussin
I do not play about my mothafuckin bros
Rocking the buser we call them the stones
They like homixide bring the fucking guns up
We can't put the guns up
New addition all stars
Got playin all day we lovin
Got so many shots and we ridin with cutlers
We rocking them diamonds and bitches lovin them
I'm monopoly all color money
We traveling countries

Brand new money I need it kinda fast huh
Play with that money we spazz huh
Money count fucking up fast huh
Oh I need it
Blues yeah I need it
Louis yeah I get it
Instagram all my body
Riding round with my shawty barely getting a shot
Ride run two eighty five
We running that five you know we five
Calling these niggas on God
I'm keeping my body they bagging my head
Don't tell them no thing
You know what a bang it's homixide gang
You know what I get huh
Five star yeah in they face
Yeah we do it broad day

Homixide put the fucking guns up
We can't put these guns up
New addition all stars
Got playin all day we lovin
Got so many shots and we ridin with cutlers
We rocking them diamonds and bitches lovin them
I'm monopoly all color money
We traveling countries
They step on our passport
