### Homixide Gang

i5u5we5

Homixide homixide

Yeah you know we pulling up  
Chasing all plain  
That's your fucking fan  
Pockets super fat  
Her nigga gon be back  
Triple cross Alaska  
Now it's time to act up  
Brand new cars faster  
Nigga check my dashboard  
Lights static dashed up  
We sliding some Nascars  
And in space I'm NASA  
Balling on drugs in ice  
Rangers want a waxer  
Moonwalk on a nigga with that draco Michael Jackson  
Don't even gotta pay my nigga say he want to blast up  
Triple cars waxer  
Customize the glock and I ain't showin automatic

Huh huh huh huh  
Call the drape with a bimmer in that bitch  
Don't play huh  
Why I'm kill everybody take huh  
Playing with these bitches it's late huh  
It's lie huh we lie huh  
Hop out yeah we five huh  
Kill at the front he died huh  
Don't even play we slide  
Murder in this bitch  
Bitch yeah we try  
Shoot call a big gun come with a knife  
Live rockstar hold don't even try  
Huh huh don't try  
Meet me and try don't even play  
Shoot out the bitch  
Yeah hoe broad day  
I'm a rockstar you can see it in my face  
My nigga try he dying everyday  
Play I play I smoke to the flame  
Don't ask how playing to my face  
Riding my show yeah we do it everyday  
Riding my show yeah shooting everyday  
Uh homixide down my throat  
Niggas might miss a new door  
Gazed up on my own

Yeah you know we pulling up  
Chasing all plain  
That's your fucking fan  
Pockets super fat  
Her nigga gon be back
