

Livin Out Loud

Honeymoon Suite

In the blink of an eye

(In the blink of an eye)
(In the blink of an eye)
(In the blink of an eye)
(In the blink of an eye)
(In the blink of an eye)

Had a suit and tie, money to burn
The golden life on top of the world
But I hit the wall, I flew too high
It's all gone in the blink of an eye

Keep on livin' (livin') long as you can
Beat back the shadows from your door
Keep on livin', take it all like you ain't gettin' more
Givin' it, givin' it now
Keep on livin', livin' out loud

(In the blink of an eye)
(In the blink of an eye)
(In the blink of an eye)

Let's light 'em up, take the night
I want to see you dance in my headlights
It's a full moon high on the rise again
Life is short, so take it in

Keep on livin' (livin') long as you can
Beat back the shadows from your door
Keep on livin', take it all like you ain't gettin' more
Givin' it, givin' it now
Keep on livin', livin' out loud

Beat back the shadows from your door
