

Miracle

Honeymoon Suite

At the right time, she comes for me
Right where I wanna be, I wanna be

Oh, yeah

She's the sun dance after rain
Cool water across the sand
In my desert, in my blazing sun
Brings me water, she's the only one

I'm looking for a miracle in you
I need more than you can give to me
I'm looking for some kind of miracle
Something to hold on to
Some new light in my life
Some new light

She sets me free from my earthly chains
Gives me shelter from the drivin' rain
In my desert in my blazing sun
And cools the fire, she's the only one

I'm looking for a miracle in you
I need more than you can give to me
I'm looking for some kind of miracle
Something to hold on to
Some new light in my life

I need to know
That ya got my love, baby
But I have to let it go, I know

I'm looking for a miracle in you
I need more than you can give to me
I'm looking for some kind of miracle
Something to hold on to
Some new light

I'm looking for a miracle in you
I need more than you can give to me
I'm looking for some kind of miracle
Something to hold on to
Some new light in my life
Some new light

A miracle in you

Some new light in my life
Some new light in my life
