

## Words In The Wind

### Honeymoon Suite

In the corner  
I sit talking to a friend  
But the message is clear  
We'll face the end

The accusations  
Skating on thin ice  
Searching the window  
Sure pay the price

Words in the wind  
Can bring you down, down, down  
Let them take you over  
And you're a fool

I will concede  
Something so true  
You live in small talk  
But it comes back to you

It ain't no white lie  
It's a slap in the face  
You've been convicted  
But you just can't win the race

Words in the wind  
They can bring you down, down, down  
Let them take you over  
And you're a fool

Words in the win  
Can bring you down, down, down  
Let them take you over

And you're a fool  
And you're a fool

I can hear them saying  
I can hear them saying  
I can hear them saying  
I can hear them

The accusations  
Skating on thin ice  
Searching the window  
Sure pay the price  
Go pay the price

Words in the wind  
They can bring you down, down, down  
Let them take you over  
And you're a fool

Words in the wind  
They can bring you down, down, down  
Let them take you over  
And you're a fool

Words in the wind  
In the wind, in the wind  
They can bring you down

Words in the wind  
Words in the wind  
In the wind, in the wind  
Let them take you over  
They can bring you down
