

Didn't

Honne

Didn't I? x3

Didn't I treat you right, now?
Didn't I do the best I could?
Didn't I give you everything?
I tried my best just to be your man.

I bought you diamond rings,
Everything that a woman could need.
I bought you cars, clothes, a home when things were rough for me.
I kept on
Instead I'm back again.

(Chorus x1)

Is there something wrong with you?
Tell me all your troubles, dear.
Oh, you look bad, should be glad
You need a man, always be glad to sit at home
And let me kiss ...

Oh, didn't I do it baby?
Didn't I do it right?
Mmh, why'd you wanna leave me baby?
I said, didn't I treat you right? Treat you right?

(Chorus x1)

Said I tried my best just to be your man.
Girl I tried my best just to be your man.
Tried my best just to be your guy. x2
