

It Ain't Wrong Loving You

Honne

"Man, he moves fast"
That's what you're thinking
Oh you're not wrong there
Girl, what you drinkin'?
I wanna take you out
And if I don't, I'm sinnin'
I know you want the same
Well that's what you've been hintin'

Yeah, cause we just click, it's plain and simple
I wanna both be in this for the long haul
And now's your chance to make it right
Don't listen to anybody else but me tonight

Don't care what they say
I will have my way
Cause it ain't wrong loving you
At the end of the day
You won't push me away
No, it ain't wrong loving you

Don't care what you got
Don't care what you're missin'
You've got what I need
You've got them lips for kissin'
And if I'm out of turn
And you think I'm dissin'
By this evening, girl
We'll be reminiscin'

Yeah, cause we just click, it's plain and simple
I wanna both be in this for the long haul
And now's your chance to make it right
Don't listen to anybody else but me tonight

Don't care what they say
I will have my way
Cause it ain't wrong loving you
At the end of the day
You won't push me away
No, it ain't wrong loving you

If you're tired of being lonely
Tired of hearing all this shit
I'm gonna get you, girl
I will get you, bit by bit, oh oh

Don't care what they say
I will have my way
Cause it ain't wrong loving you
At the end of the day
You won't push me away
No, it ain't wrong loving you
