

Shrink

Honne

Goodbye to sanity, I got along with you
But now you're leaving me, what am I gonna do?
I did not plan for this, they don't teach you this in school
No, for this there are no rules, oh and Google ain't much use

Let me explain how this came to being
The things that make me go cuckoo
I could go for days, there are a hundred reasons
I think you know what you should do

You'd better book me a shrink for 2020
Cause by that time I'm gonna be crazy, crazy
Somebody book me a shrink for 2020
Cause by that time I'm gonna be crazy, crazy

Ok then, right here goes, oh where do I start?
My friends all think I suck, they keep texting broken hearts
I worked everyday this week and my doc is telling me
I need to take some time to deal with my anxiety

Now do you see where I'm going with this?
All these things I'm going through
Now I could go for days, there are a hundred reasons
I think you know what you should do

You'd better book me a shrink for 2020
Cause by that time I'm gonna be crazy, crazy
Somebody book me a shrink for 2020
Cause by that time I'm gonna be crazy, crazy
