

# Sometimes

Honne

Sometimes I'm stupid  
Sometimes I'm fucking hard work  
Sometimes I'm the worst person  
I only know how to hurt, yeah

Sometimes I'm scared of loving  
I don't know just what you're worth  
But that don't mean I can't learn  
'Cause I can  
I can't learn 'cause I can

Turn off the light, she said  
I'm going to bed  
I don't wanna talk right now  
I'm turning my head  
If we could go back to where we first started  
I would go right now  
Remember the days before this all started  
It's got me thinking how

Sometimes I'm stupid  
Sometimes I'm fucking hard work  
Sometimes I'm the worst person  
I only know how to hurt

Sometimes I'm scared of loving  
And I don't know what you're worth  
But that don't mean I can't learn  
'Cause I can  
Oh, ho

You didn't show tonight  
Was it something I said?  
I must have called a thousand times  
But your phone must be dead

Perfect I'm not  
But I'm getting better  
Or so I like to think  
I wanna build us a future  
And you're the missing link

I should have told you how I felt  
When I had the chance  
I should have held you higher up  
In all my plans  
I should have told you how I felt (hey)  
I should have told you how I felt

I should have looked back to you  
As I walked away  
I should have given you a kiss  
But now it's too late  
I should have told you how I felt (hey)  
I should have told you how I felt
