

One of a Kind

Honor Society

I heard that your going out
with a guy that gives you all the
wrong attention.
Just gonna sit back and predict his
every move with you.
Cause I heard that he does
the same things with all the girls
he's unoriginal.
So know that eventually
your gonna have to let him
go cause it gets old.

Any guy can bring you
flower to your room
but would he put in the hours to talk
to you, listen to you.

He could give it a try,
take a walk in my shoes
figure some good lines
but he can't do it like I do.
Girl my love is one of a kind
let him take his best shot
he ain't got what I got.
Cause he can't do it like I do
Girl my love is one of a kind.
Cause he can't so it like I do it.

Will he take care of you
when your feeling
underneath the weather?
Will he say "See you later."
Call me when your feeling better."
Will he drop everything
even when you need a shoulder.
Not say a word just hold
you and be your comfort?

Cause any guy can bring you
flower to your room
but would he put
in the hours to talk
to you, listen to you.

He could give it a try
take a walk in my shoes
figure some good lines
but he can't do it like I do.
Girl my love is one of a kind
Let him take his best shot
he ain't got what I got.
Cause he can't do it like I do
Girl my love is one of a kind

Should have never have to settle
no no no
You deserve someone so much better

Than what you have now
and my heart is so much bigger.
Cause I'll treat you like a flower
While he treats you like pedal.

He could give it a try
take a walk in my shoes.
Figure some good lines
but he can't do it like I do.
Girl my love is one of a kind
Let him take his best shot.
He ain't got what I got
cause he can't do it like I do.
Girl my love is one of a kind.
Cause he can't do it like I do it
cause he can't do it like I do... baby.
