

# Head Over Heels

Hoobastank

I wanted to be with you alone  
And talk about the weather  
But traditions I can trace against the child in your face  
Won't escape my attention  
You keep your distance with a system of touch  
And gentle persuasion  
I'm lost in admiration, could I need you this much?  
Oh, you're wasting my time  
You're just, just, just wasting time

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah, don't take my heart, don't break my heart  
Don't, don't, don't throw it away  
(Throw it away, throw it away)

I made a fire, I'm watching it burn  
Yeah, I thought of your future  
With one foot in the past, now, just how long will it last?  
Now, now, now, have you no ambitions?  
My mothers and my brothers used to breathe in clean in air  
And dreaming I'm a doctor  
It's hard to be a man when there's a gun in your hand  
Oh, I feel so

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah, don't take my heart, don't break my heart  
Don't, don't, don't throw it away  
(Throw it away)

And this my four-leaf clover  
I'm on the line, one open mind  
This is my four-leaf clover

(La, la, la...)

In my mind's eye  
One little boy, one little man  
Funny how time flies
