

Let It Out

Hoobastank

This is ours, we made it with our everything
Something real, as real as it could ever be
You gave me all of yourself, I gave you all of me
Now set it free from yourself, for everyone to see

I'm not afraid to let it out
I'm gonna show you how I feel
I'm not afraid to let it out
(who cares if you dont like it)
(if you don't like it)

Go ahead, you know just what you want to do
Don't deny, you feel cause I feel it to
Take a look all around, you'll feel it in the air
From the sky to the ground, I feel it everywhere

I'm not afraid to let it out
I'm gonna show you how I feel
I'm not afraid to let it out
(who cares if you dont like it)
I'm not afraid to let it out
I'm gonna show you how I feel
I'm not afraid to let it out
To let it out
(who cares if you don't like it)
(who cares if you don't like it)
(who cares if you don't like it)
(who cares if you don't like it)

This is ours, we made it with our everything
Something real, as real as it could ever be
You gave me all of yourself, I gave you all of me
Now set it free from yourself, for everyone to see

I'm not afraid to let it out
I'm gonna show you how I'm free
I'm not afraid to let it out
(who cares if you dont like it)
I'm not afraid to let it out
I'm gonna show you how I'm free
I'm not afraid to let it out
To let it out
To let it out
To let it out
(who cares if you don't like it)
(if you don't like it)
(if you don't like it)
