Chop

Hoodoo Gurus

You're beautiful, don't you know?
This wonderful inner glow
I want you to feel it too
Here's the thing that you should do
Charlie Pride is just outside to take you for a ride

I can't cop too much chop
Somebody starts copping it
Out on top - too much cop
I've gotta start stopping it soon
Soon. I've gotta stop soon

One minute you're white as chalk
Then suddenly you must talk
Tell me all about yourself
You can think of nothing else
All you know is you're on show

Let everybody blow

I can't cop too much chop
Somebody starts copping it
Out on top - too much cop
I've gotta start stopping it soon
Soon. I've gotta stop soon

Feeling fine, just get in line
If you are a friend of mine
Ride your sleigh, it's Christmas Day
Everything's OK

I can't cop too much chop
Somebody starts copping it
Out on top - too much cop
I've gotta start stopping it soon
Soon. I've gotta stop soon
