

## I Don't Know Anything

Hoodoo Gurus

I've got a lot to learn  
And bridges that I still have not burned.  
Until I find a way  
I'll only end up back where I am today but  
I don't know anything,  
Anything at all.

I know that I ain't smart.  
I get languid up in the strings of my heart  
So tight I cannot breathe  
I'd cut them if I knew what was good for me but  
I don't know anything,  
Anything at all.

I must be the king of fools,  
A court jester making rhymes in nursery school,  
Like: "Jack be nimble, Jack be quick  
You can blow my candle, Jack, if you can  
Teach me how to light my wick 'cause  
I don't know anything."
