

Mine

Hoodoo Gurus

I want for nothing
Yeah, I got it all
I'm a superhuman
And I'm ten feet tall
I'm truly perfect
In every way
And, like Alexander
I feel great

It's all mine
It's all mine, yeah

You're a living legend
Only in your mind
(I would never tell you
But I'm feeling kind)
You're nothing special
You would agree
And you're so lucky
To know me

It's all mine
It's all mine, yeah

I keep improving
Like vintage wine
Come and taste it
Get in line

It's all mine
