Turkey Dinner

Hoodoo Gurus

You're my turkey dinner,
You're good enough to eat.
Open up that oven.
Your juices smell so sweet
They smell so sweet.

I'll provide the gravy
It's a family recipe.
The secret's in the stuffing
(And I'm sure you'll agree. You will agree.)

Oh, Thanksgiving,
Thanks for giving her to me

Will I choose a drumstick?
Or start with a wing?
Maybe eat some white meat?
I want everything!
Everything!

You're my turkey dinner and
You're my heart's desire.
You're my one reason for living,
One reason for Thanksgiving.
