

## Why?

Hoodoo Gurus

I'm drinking "Mother's Ruin"  
And grooving-out to 'You Am I'  
"Well, Hi!"  
I'm cornered and I'm hoping  
For once your mouth ain't open wide  
Oh, My! My! My! My!

Tell me why  
You can't look me in the eye?  
Tell me why  
You always have to lie?

What is that strange aroma  
That tells me you're not bona-fide?  
Oh, why, why, why, why?  
It's always necessary  
To get you're stories verified  
Oh why... Why, why, why?

Tell me why you can't look me in the eye?  
Tell me why you always have to lie?  
Tell me why, 'cause it's pointless to deny

Please tell me why?  
So help me

Your friends are getting fewer  
Have you considered suicide? (You might try)  
Your cookie has to crumble  
And you'll be eating humble pie in the sky by-and-by

Tell me why you can't look me in the eye?  
Tell me why you always have to lie?  
Tell me why 'cause it's pointless to deny  
Tell me why you don't just curl up and die?

Tell me why?
