HoodRich Pablo Juan

Cuban my neck
Racks tennis chain
Lips ass tittys everything
Rose gold baguettes
I bought a matching rang
No make up on the sky dweller it's plain
Know how to get to the money
I stay in my lane
Christian Dior and Chanel
Hit from the back and I grab on her ponytail
I threw some change to my jeweler like wishing well

Catch a play nigga it's a sport when make a sale
Pull up in a brand new whip fish tale
She got some ass on her hips
