HoodRich Pablo Juan

Fuck her on the camera, she gon' do it for the Vine  
Everybody switcharoo that hoe, that little bitch ain't mine  
iPhone 5 ringing like a chat line  
All these hoes calling, I just want that FaceTime

Little bitty bitches, they can't pay for my attention  
Did I mention that I'm riding 'round with Mr. Bentley?  
Who is that with me? It don't matter 'cause we switching bitches  
Might as well bring your friend with you  
We don't do the kissing, to make it and , got exclusive bitches  
Popped the molly just like Bobby Brown and Whitney Houston with it  
I.T. got a nigga taking jacuzzi pictures  
Jump in the Lamb, put it on Tom Cruise  
Damn, I'm just listening to the blues  
Getting road head by a bitch, I mean two  
Man, I'm too cool, man, my heart cold, froze  
African diamonds, igloo

Fuck her on the camera, she gon' do it for the Vine

I got five bitches calling, switcharoo, they ain't mine, no  
Jump on the wood, they catch a splinter  
Leaving the hood, we in the Sprinter  
Notebook on us, no amateur  
They fucked me like animals  
I ain't lying, no  
Got me in grind mode  
I looked up these nine hoes  
I don't trust none of these lying hoes  
Pulling up, suicide doors  
Got my Rollie out the door  
The same coat that the bullet holds, .45  
Dope clothes, I'm live  
Handmade Balenciaga

Kush is my cologne  
I'm smelling like a fresh harvest  
I ain't attached to these bitches  
I wanna see you fuck my partner  
Sucking, fucking on the camera  
I wanna see you win an Oscar

Fuck her on the camera, she gon' do it for the Vine
